

Who we are

Harmony Biosciences is a pharmaceutical company headquartered in Plymouth Meeting, PA

- Established in October 2017 with a vision to develop and commercialize innovative therapies for people living with rare diseases
- Focused on rare neurological disorders with unmet medical needs

What we believe

We share the singular purpose of developing and providing new medications to help people who are living with rare diseases

- **Our culture is defined by our core values:**
 - Keeping patients at the heart of all we do
 - Acting with integrity and ethics
 - Working with a one-team attitude
 - Leading with the science as we identify clinical possibilities
 - Delivering excellence
